

WE STAND WITH OUR COMMUNITY!

TOGETHER, WE WILL REBUILD!

#ReBUILDLA | sgvhabitat.org | sgvrestore.org

Your support is vital as we work to provide lasting solutions for families who have lost so much.

The wildfires impacting our community have deeply affected our Habitat family. We are devastated to share that the Habitat home in Altadena – built with the love and effort of many volunteers in 2023 – was lost in the fires. This tragedy has also impacted several other Habitat partners from the community.
