

BUTTON UP FOR HABITAT!

Collect. Celebrate. Be Recognized.

What It Is

The Button Program is a fun and meaningful way to celebrate your time, encourage continued service, and recognize your impact.

How It Works

Earn buttons by volunteering and participating in special events. Wear them proudly on your apron, shirt, tool belt, or wherever you see fit!

Button Types

-  **Milestone Buttons:** Awarded for service hours (1st shift, 15, 25, 50, up to 500). Our team will reach out when milestones are met.
-  **Special Event Buttons:** Earned by joining events like Women Build, Veterans Build, Habitat Heroes, and more.
-  **Volunteer of the Month:** Given monthly to one outstanding volunteer (we'll contact you if selected).
-  **Anniversary Buttons:** Celebrate each year of volunteering. Reach out to us if you think you've hit an anniversary.

Track Your Progress
