**About San Gabriel Valley Habitat for Humanity**

Driven by the vision that everyone needs a decent place to live, a small group of committed volunteers founded San Gabriel Valley Habitat for Humanity in 1990. Fueled by the generosity of volunteers and donors, we've served nearly 900 people in our local community and abroad. Families and individuals in Glendale, Northeast Los Angeles, Pasadena and the San Gabriel Valley Region partner with Habitat to build or improve a place they can call home. Habitat homeowners receive a hand up, not a handout, as they help build their own homes alongside volunteers. All Habitat homebuyers pay an affordable mortgage. Through financial support, volunteering or adding a voice to support affordable housing, everyone can help families achieve the strength, stability and self-reliance they need to build better lives for themselves.
