# PRESS RELEASE

## Flagship Habitat for Humanity ReStore is Coming to the City of Duarte!

**Duarte, Tuesday, March 10** - In what was a long-awaited decision, Duarte city council voted 6 to 1 to approve a new Habitat for Humanity ReStore in the city. Local business owners, city officials, and other supporters were present to voice their excitement for the proposed Duarte location.

The SGV Habitat ReStore flagship location is located at 2215 Huntington Drive and has over fifteen thousand square feet of space to provide guests with a unique discount retail shopping experience. Sales at the ReStore will deliver significant sales taxes that will go back to Duarte. All profits will go back to fulfilling SGV Habitat's mission of helping families build strength, stability, and self-reliance through shelter.

Duarte Councilmember Margaret Finlay is especially excited about the ReStore opening:

*"We are excited to bring ReStore to Duarte because it will be another solid consumer business that will add depth to our retail versatility. I have personally visited 5 ReStore locations from Bakersfield to Anaheim and have seen their commitment to the community. The Duarte City Council is working with the shopping center owner and ReStore to ensure that we have mandated the proper legislation to make this center one of the top retail showplaces in Duarte. Furthermore, the extra sales tax that will be brought in from this location will help maintain quality services to the citizens of Duarte."*

### **About Habitat for Humanity ReStores**

Our ReStores are more than just a place to find great deals on furniture, appliances, home décor, and building materials. ReStores help local families achieve their dreams of homeownership with San Gabriel Valley Habitat for Humanity. This is what ReStore is all about—building a better community through the power of a decent, affordable place to call home.

The impact of ReStores goes far beyond that however. When you donate and shop at our ReStores – you're starting a chain reaction of community investment that will make a very real difference that will last.

### **About San Gabriel Valley Habitat for Humanity**

Driven by the vision that everyone needs a decent place to live, a small group of committed volunteers founded San Gabriel Valley Habitat for Humanity in 1990. Fueled by the generosity of volunteers and donors, we've served over 200 families in our local community and abroad. Families and individuals partner with Habitat to build or improve a place they can call home. Habitat homeowners receive a hand up, not a handout, as they help build their own homes alongside volunteers. All Habitat homebuyers pay an affordable mortgage. Through financial support, volunteering or adding a voice to support affordable housing, everyone can help families achieve the strength, stability, and self-reliance they need to build better lives for themselves.
