PRESS RELEASE

San Gabriel Habitat for Humanity accepting applications for full-time service opportunities through AmeriCorps

Monrovia – Thursday, May 21 – SGV Habitat has been awarded three AmeriCorps member positions and is looking for motivated, qualified candidates to serve locally during the 2020-2021 service year which begins in July. Habitat AmeriCorps members serve in full-time, stipend positions, helping to meet the housing needs of communities and low-income families across the U.S.

Applicants accepted as Habitat AmeriCorps members serving with SGV Habitat will help the chapter build capacity to continue growth within the organization, allowing us to serve more families in the years to come. They will join more than 500 other Habitat AmeriCorps members who will be placed in more than 160 communities nationwide.

AmeriCorps is a network of national service programs that engage more than 80,000 Americans each year in intensive service throughout the United States. National service programs such as AmeriCorps are funded by the Corporation for National and Community Service.

Since Habitat partnered with the Corporation for National and Community Service in 1994, more than 10,148 AmeriCorps members have served with Habitat for Humanity across the country. They have raised tens of millions of dollars, engaged 3.7 million volunteers and served 109,830 individuals, helping to build strength and stability through safe, affordable housing. For more information or to learn how to apply, please visit sgvhabitat.org/who-we-are/careers.

About San Gabriel Valley Habitat for Humanity

Driven by the vision that everyone needs a decent place to live, a small group of committed volunteers founded San Gabriel Valley Habitat for Humanity in 1990. Fueled by the generosity of volunteers and donors, we've served over 200 families in our local community and abroad. Families and individuals partner with Habitat to build or improve a place they can call home. Habitat homeowners receive a hand up, not a handout, as they help build their own homes alongside volunteers. All Habitat homebuyers pay an affordable mortgage. Through financial support, volunteering or adding a voice to support affordable housing, everyone can help families achieve the strength, stability, and self-reliance they need to build better lives for themselves.
