PRESS RELEASE

San Gabriel Habitat for Humanity accepting applications for full-time service opportunities through AmeriCorps

Monrovia – Monday, August 9 - SGV Habitat has been awarded five AmeriCorps member positions and is looking for motivated, qualified candidates to serve locally during the 2021-2022 service year. Habitat AmeriCorps members serve in full-time, stipend positions, helping to meet the housing needs of communities and low-income families across the U.S.

Applicants accepted as Habitat AmeriCorps members serving with SGV Habitat will help the chapter build capacity to continue growth within the organization, allowing us to serve more families in the years to come. Positions are available in volunteer programs, resource development, housing services, and construction. These dedicated AmeriCorps will help the organization reach their goal of serving 100 families by December 2024. They will join more than 500 other Habitat AmeriCorps members who will be placed in more than 160 communities nationwide.

AmeriCorps is a network of national service programs that engage more than 80,000 Americans each year in intensive service throughout the United States. National service programs such as AmeriCorps are funded by the Corporation for National and Community Service.

Since Habitat partnered with the Corporation for National and Community Service in 1994, more than 10,148 AmeriCorps members have served with Habitat for Humanity across the country. They have raised tens of millions of dollars, engaged 3.7 million volunteers and served 109,830 individuals, helping to build strength and stability through safe, affordable housing.
